

Healthcare

We provide Industry-leading Healthcare talent solutions.

Addison Group is a professional services firm specializing in talent solutions and consulting services offering industry-leading expertise with a national reach.

For over 16 years, Addison Group's Healthcare Team has cultivated an expansive network of healthcare professionals for temporary, contract-to-hire, permanent placement, and executive search opportunities.

Why Choose Addison?

It all starts with our approach, which is relationship-based and consultative in nature.

- ✔ Network of over 4.5 million professionals, 33 physical offices, and remote team to support our national coverage.
- ✔ We focus inward, learning everything about our clients team first to build together a solution that provides the right candidate for their needs.
- ✔ Addison's healthcare team partners with hospitals, physician/multi-specialty groups, health plans, and various other healthcare organizations to provide premium talent resources.
